“ *Jimmy was such a generous and truly kind person. He was always willing to help and give, especially to the children's ministry at CHC. His generosity showed in the numerous times he used his t-shirt business to bless the children with shirts for various events. I am so sad that his earth suit wasn't able to keep him with us, but happy he is in his eternal home. Pat, you and the family will be in my thoughts and prayers. Shalom my friend.*

“ *Jimmy was an inspiration to me and many other people who cared for him at the hospital. He faced down 3 cancers within a year with courage and kindness.*

He never complained and was an amazing person.

My best wishes to his family.

“ *Jimmy and I were both diagnosed with cancer about the same time and we had the same surgeons for our treatment. We prayed together for recovery and I am grateful that the Lord blessed us both with some happy years since. Jimmy maintained a positive attitude throughout and I am sad that he has now passed. Rest In Peace Jimmy, enjoy your eternal life in Heaven.*

“ *We first met Jimmy as a golf coach for our grandson, Hayden, but he quickly became much more than that. He was a kind, patient, warm and generous man and we consider him and Pat part of our family. Jimmy gave us so much more than golf lessons. He will always live in our hearts.
