“ Sure miss those strong hugs. I miss that silent and observant face when you were trying to make sure things were okay with the family. You would be so proud of your family. Your children and grandchildren are amazing. Your wife - she's a fighter and everything she does would make you so proud. Still don't understand God's plan but pray that we make it to where you are now. Love you always.

“ My condolences to the family. He was one of my favorite class mates in school and was always motivated to assist others. It's real hard for me that he has left us but I still feel his spirit and presence. My God maintain strength. Love you all

“ I worked with Jamie years ago. He was the sweetest man and a joy to be around. My heart breaks for your family. But I know you all know he is with his Lord and Saviour. I hope that gives you some peace and the strength to carry on.
