“ *Your 40th at the Casa! It was so much fun. You had all of your people with you and we all enjoyed it so much. Your smile said it all. The other one was the year 2020 when we went blueberry picking for Brailey's Birthday.*

“ *Seeing you tonight was the hardest. You were my sister and we raised our kids together, now I feel a little broken without you! We all will miss the heck out of you. Your smile will always remain in our mind and hearts. It was one of a kind. See you on the other side! Fly high and know that I will always watch over Abigail and Robert for you!! I got mom and dad too. Its just not the same though as we all miss you!*

“ I will miss Jan very much. She had a great laugh. She was an inspiration to her students. She loved her family and friends. She was taken from us too soon. Heaven has gained an angel. I will remember her always. Until we meet again on that Heavenly shore.

“ Jan was a good person. She loved her family and friends. I will remember with fondness the times 4 of us current or retired DOC employees would hang out together at trainings or workshops. We also met about once every 2 months for dinner in Tallahassee and proceeded to solve all the world's problems or so we thought. Jan and I argued a lot over differences of opinions of many things. But we always were friends first and forever. I will miss Jan and all the good times we had. God be with and your family. I love you girl. Take care of yourself. There will never be another you.
