

Jason A. Bennett

May 29, 1970 - May 16, 2017

Jason A. Bennett, 46, passed away May 16, 2017, in Tallahassee, Florida. Jason is survived by his mother Linda Bennett, Michael and Barbara "Dad & Mom" Cipriano, a vast family of Aunts, Uncles and Cousins across the country and his extended Vietnam Veteran and Legacy Veteran MC family and friends in Florida.

Jason lived a passionate life, filled with love, travel and adventure. He loved playing the drums and appreciated music and art. He was happiest when he was spending time with the people that he cared about, be it; traveling to visiting family or to go see his favorite musicians perform, watching his Patriots win another Super Bowl or taking to the open road on his motorcycle, with Mike "pops" Cipriano and his friends in the Vietnam Veteran and Legacy Veteran MC. Jason had a remarkable sense of humor and brightened the lives of all who were fortunate enough to know him. He will be missed by all, and his memory will remain eternal. A private family service will be held at a later date in memory of Jason's life and spirit.

“ I only remember you as a child going to my sister's house on the Cape but you are family and my cousin. Your mother and I have gotten very close over the last 4 years and when she stayed with me after her surgery she would talk for hours and always fondly about you. Rest in Peace Cousin

Jason fought the good fight. I spent a lot of time with him in the last year of his life. I still can't get my arms around his being gone. I almost called him from Walmart today to see if he needs anything.

Jason tried so hard to be healthy. We walked a 5K race with me in Tallahassee 2 or 3 years ago. He was incredibly proud of that.

He loved to go out on my boat. We never caught much. He caught a 10 pound or so sand shark and a 15" Spanish Mackerel He acted like he caught Jaws!!! I convinced him that the shark was a Thresher shark.

Jason was such a giver and found it hard to take from people.. I convinced him that the people that were giving to him needed for him to take from them..

I knew Jason for only 7 or 8 years or so. It has been a blessing to know him. He called me Treo, which is Greek for Uncle. I am missing him and will continue missing him until I die.
