

Jean Thompson Carr

August 17, 1926 - August 2, 2021

Jean T Carr, A.K.A. Mama Jean Loving Mom to three daughters, Lynda Derzypolski, Libba Harris, Cheryl Grant and Grandmother to 6, Great Grandmother to 15, Great Great Grandmother to 3, and Mother of many, passed away on August 2nd, 2021, at 94. She lived life to the fullest until the end. She leaves a legacy of generosity, hospitality, friendliness, fun, and compassion. When she wasn't doing things for others or giving advice or cooking a great meal or, better yet, eating out, she was playing Bridge. As a life member of the Tallahassee Duplicate Bridge Club, she hailed the title of Life Master and taught many others to love the game. She was also a Welcome Wagon Hostess and active PTA member when her girls were in school. She loved to spend time in Panama City at a beach house that she and her late husband, Lyn Carr, purchased in 1967. Jean loved to dance and refused to let time be her master. To know her was to be loved by her, and she leaves the world a much better place for having been in it. On Thursday, August 12, 2021, the family will have a Graveside Service in East Brewton, Alabama, where she was born and lived during her childhood. Due to Covid the Celebration of Life Service on Sunday, August 15 at the Senior Center has been postponed until a later date.

Susie Mozolic of Bevis Funeral Home is assisting the family with their arrangements. (www.bevisfh.com 850-385-2193)

“ I have known Jean all my life, My mother Daisy and Jean were life long friends.

We were a blended family. Jean had some of the funniest adventures and stories to tell.

One of the cute memories included when she and mom went to Las Vegas, While there they were going to a show, They got on the elevator, and the men on the elevator asked where they were going, they said, " to see the Oakridge boys", Jean proceeded to tell them all about the Oakridge boys, how wonderful they sang and how good looking they were.

The elevator stopped, and the men continued to walk with them, then they turned and told them, " enjoy the show, and by the way we are the Oakridge boys."

Jean will be missed, Like mother said Jean would do anything for anybody.

“ We will always remember how you made us feel so welcome to beautiful Tallahassee. Alan was the City’s new Traffic Engineer and I was looking for a furnished apartment until we could find a permanent home. Behold, Jean had the only ad in the paper. Lucky for us! Not only did we get the apartment but gained a friend for over 26 years. She once told me, “you are like a sister to me”, and I felt the same. I love you Jean Carr and I will always miss you, dear one.
