“ *Please accept my condolences for your loss. There is no worse pain than losing a loved one to death, many have found comfort in this Bible verse, Isaiah 25:8 which says, that God will swallow up death forever. How wonderful it will be to embrace our loved ones again. The Bible also says that God will wipe away the tears from our eyes and death will be no more, neither mourning nor outcry nor pain be anymore. The former things have passed away (Rev. 21:3, 4). We need not fear death again, for God has promise that it would be abolish forever, and God can not lie, as said in Titus 1:2. May you find comfort in these words and the peace you so much need in theses moments of pain.*
