

Jeanie Almlie

June 28, 1956 - January 8, 2017

Our beloved Jeanie Almlie left her family and friends to join her Maker on Sunday, January 8, 2017, after an extended illness. She had a remarkable zest for life, laughter, and fun, and all that knew her loved her.

Jeanie attended Jupiter and Winter Park High Schools, and kept in touch with the many friends she had made over the years. Jeanie was a Registered Nurse, having pursued her career at Palm Beach Junior College and Palm Beach Atlantic College in Palm Beach County, FL. Jeanie served her patients for a sum of thirty-five years at Palms West Hospital in Loxahatchee and Capital Regional Medical Center in Tallahassee. She was most fond of her years in post-partum with “her babies.” Jeanie never had children of her own but adored her three cats. She loved to travel, going on snow skiing and cruise trips, especially those offering jazz themes. She was a certified scuba diver and loved all things coastal. She loved her camper and all family camping trips. She loved to watch the geese chattering on Lake Jamie behind her home. She was an admirer of all lighthouses, especially the Jupiter Lighthouse.

She is survived by her sweet mother, Marilyn Almlie, of Tallahassee, sisters Jo Ann (Richard) Chichetti of St. Marks and Laura (Julio) Gallo of Tallahassee, brother Eric (Donna) Almlie of Hobe Sound, FL, nieces Jaimie Trowbridge and Jennifer Gallo and nephew Ian Gallo of Tallahassee, and Jay Hess, her companion of many years. Her father, John J. Almlie, predeceased her in 2005.

Her ashes will be scattered at Maclay Gardens in Tallahassee; off the Coast in Jupiter, FL; and off Catalina Island, CA, all destinations that she loved to visit. Any donations to Jeanie's memory could be made to ASPCA in her name. A service in her honor and celebrating her life will be held on Memorial Day weekend in Jupiter, FL.
