

## Jeanne Heath

December 8, 1951 - November 27, 2025

Jeanne Heath, 73, of Tallahassee, Florida, passed away peacefully on November 27, 2025, surrounded by her family.

She was born on December 8th, 1951 to late Harold James Williford and the late Eula Mae "Judy" Allen Williford. As a child she enjoyed the beach, and spending time at her Grandfather's farm in Live Oak. It was there where she established her strong work ethic that remained with her till the end. She attended Rebault High, where she formed friendships that would last a lifetime.

Jeanne had a generous spirit and a remarkable gift for finding the best in everyone. She welcomed everyone with her smile.

For 49 years, she kept her husband Alan Heath loved, supported, and—most importantly—in line. She was the loving mother of Katie Heath and Matt Heath, and mother-in-law to Andi Heath. Her greatest joy was being “Gigi” to her grandchildren, Charlie and Wesley Heath, who were the light of her life.

Jeanne loved a good estate sale and had an eye for hidden treasures. She adored animals, especially her sweet pup Ella Jane, who was always by her side.

To her family, Jeanne was the glue—the steady heartbeat of their home. She was an amazing wife and an extraordinary mom, whose love, smile, and warmth will be felt forever.

She will be deeply missed and lovingly remembered by all who knew her.

A memorial service will be held at 12:00PM on Sunday, December 7, 2025 at Bevis Funeral Home.

Dayne Parker of Bevis Funeral Home (850-3852193 or [www.bevisfh.com](http://www.bevisfh.com)) is assisting the Heath family with their arrangements.

“ I’ll never forget the time, back in 7th grade(1991), Matt, Harrison Strom, and myself were on private property to go fish Lake Overstreet. This was before it was purchased by Maclay Gardens. That lake was of legends. 30 pound bass everywhere, so we thought. We spent most of the morning going out there. I even found a beautiful Indian spearhead that I still have to this day.

Well, out of nowhere this guy is flying down the dirt road in his Chevy S10, CB antenna whipping, and coming straight for us. We start to run as fast as we can. Well, I’m not the fastest. Especially then. I got caught. Matt and Harrison came back for me(still my brothers) and we got an ear full.

He ranted and raved about private property, us possibly getting shot, etc etc. There was truth there but we more concerned about getting in trouble.

Then he said it. “One of you are calling your parents.” I looked and Harrison, Harrison looked at me. We both acknowledged that our parents were not the ones to be called. Although Matt could have easily told us otherwise because he was physically “the boss,” he obliged and we called Mrs. Heath.

She came, spoke with the man, set his mind at ease and calmed him down. We then piled into her Volvo(she loved her Volvos) and headed home, unscathed.

That’s the woman Mrs. Heath was. You could call on her in a pinch. She was warm and understanding. She was cool and respected. She was a sweet lady who always had a hug for me and loved a good conversation.

You’ll be missed terribly, Mrs. Heath. But we will all see you again one day. Give my mom a big hug for me. Get some rest.

Love,

“ I had the pleasure of meeting Jeanne at Kim’s beauty shop. Over the years at Kim’s shop I looked forward to seeing her and we became friends, shared many laughs, enjoyed hair parties, and made memories I will always cherish. She brought the light when she came in the room and her laughter and bright spirit always warmed everyone’s heart. She will be deeply missed. Prayers for all her family and friends. Rest in peace sweet friend.

“ Jeannie was my neighbor and friend for 25 years! She was the most thoughtful person and always looking for a way to help people from delivering food, taking in trash cans on her 5 mile walks, walking neighbors dogs they were sick, to keeping tabs on what was going on in the neighborhood. I was fortunate to make lots of memories with her along the way.... Neighborhood Halloweens, Estate Sales, Market Days, walking in the neighborhood, helping me find homes for kittens ( of course she kept one)! Black Friday shopping starting at midnight, hair parties, we had lots of fun. Even went to a Trump Rally ( I never was sure what she thought about that one) but she was always up for it if you said hey How about this? She always was coming down to visit with my hair clients and bring cupcakes for special days. The whole neighborhood is saddened by the loss of a very special and loving, thoughtful, quirky, kind, funny, helpful, always ready to pitch in friend. Memories of you are everywhere in our small hidden gem of a neighborhood! How fitting that Thanksgiving was your day to leave this world as you were a blessing to me and all our neighbors and we are all just so thankful that we in some way were part of each others stories. It's not a goodbye just a see ya later!

Laura and Glenn Rudd her neighbors for 41 yrs. Our hearts are shattered 💔.... There is no words to describe the BEST neighbor a person could have...with the Sunshine 🌻❤️ that radiated from her...I am shocked saddened and left without her hugs and eagerness to you put a smile on your face. She always looked at life with goodness. We loved singing her beloved hippie music as my older siblings forced me to listen too and I could sing with her!! We walked endless Miles and talked mostly about our children. That light 🕯️ will always be in My heart and I thank God 🙏🌸 for her. She will forever be my blessed Angel who could make a terrible Day be filled with a smile 😊 I miss you Jeannie Heath love Laura xxxooo
