“ I am so sorry to hear about the passing of Jeff. He participated in a virtual reunion of the class of 63 of Doylestown High School that I organized held on May 29 of this year which marked 60 years since we graduated. He seemed in great spirits and now I am sad that this is the last time we will have spoken.

I remember Jeff as a fun loving guy with a great laugh. We were on the track team and worked out together during the off season to prepare for the spring track meets. Jeff's specialty was the 440 yard dash which he competed in successfully along with the mile relay.

My thoughts and prayers are with Jeff's family during this time of grief.

“ My dad may have been states away but we still had a good relationship. I will miss our weekend sport calls or my random driving home calls to you. I'm so thankful you got to walk me down the aisle to marry a wonderful kind man. Not many kids get to say both my parents were at my 50th birthday so I definitely will cherish these memories. Dad I just want you to know you were loved and will be missed but never forgotten.
