“ We are so sorry to hear of your loss, it's so hard to lose a child, we lost our son Shawn Whaley in 1993, it's just not the order of things, a parent shouldn't have to bury their child, just know all of you are in our prayers as you lay your precious child to rest, he is in the arms of Jesus now & we will be with them again when God calls us home. Our heart goes out to your family as you try to get through this loss in the next days, weeks, months & years. God Bless You & Yours!!!

“ *This seems so surreal. I haven't seen Jeff in ages but we grew up together. He was an all around great guy, fun to be around, always a smile on his face. You never expect something like this to happen, it put me back when I heard the news. My favorite memory of Jeff was my birthday party in 5th grade, we spent the whole day together, laughing, goofing off in my bounce house. Getting spooked on the little hay ride, I wish there were more moments like these we could have together, but I'm thankful for the great memories. My thoughts and best wishes go out to Jeffs family.*

“ *I used to be his bus driver (Miss Phillis) when he was in elementary school. One year, for Christmas, he gave me a school bus snow globe. I don't know how or if he knew that I collect snow globes but I have displayed it, along with others, every since. He was such a good kid. Always nice and kind to the other children.*

“ Oh Jeffrey, it has been many years since I have seen or even talked with you but I sure remember the times we used to spend with you and your Dad and Lauren. We used to do a lot together but things change. Jackie, Tyler and Jessie have a lot of memories with you in them and we are all heart broken. I am sending love to your Dad and wishing him comfort in this terrible time as well as your entire family. Penny Ranew
