

Jeremy Allen Green

July 9, 1985 - May 27, 2026

Jeremy Allen Green, 40, passed away on May 27, 2026. Born on July 9, 1985, in Tallahassee, Florida, Jeremy was the beloved son of Lisa Williford and the late Randy Green.

Jeremy grew up with a fierce loyalty to the people he loved. He was a protective brother, a devoted son, and a friend whose presence filled every room. He is survived by his mother, Lisa Green (Greg Ward); his brother, Christopher Green (Junho Kim); his sister, Danielle Green (Jason Funderburk); his grandmother, Colleen Williford; and numerous nieces, nephews, aunts, uncles, and cousins.

He was preceded in death by his father, Randy Green; his grandparents Hiram and Evelyn Green and Ernest Williford.

Jeremy had a passion for life's simple joys. He loved martial arts—especially taekwondo—along with cooking, eating, and spending time at the beach. He was an avid fan of FSU football and a proud alumnus of Chiles High School, where he played center on the football team before graduating in 2003. He later attended culinary school, nurturing a lifelong love of cooking. Jeremy also enjoyed video games, firearms, and the peace he found in nature.

Jeremy's life was marked by deep love, humor, and the unwavering loyalty he showed to those around him. He will be remembered for his big heart, his

protective spirit, and the joy he brought to the people fortunate enough to know him.

A private family remembrance will be held at a later date. Todd Wahlquist is assisting the family with their arrangements (850-385-2193, www.bevisfh.com).

“ I worked with Jeremy at Publix for a few years. I miss his laugh and his ability to make others laugh as well. He was always doing something. I'd hear him and the other guys talk about golf? with Frisbee? Is that right? He talked about going to Talladega with his Dad and the great time they had. I don't know about the struggles he had, he was still the kid everyone wanted on their team. Its been more than 10 years since I have spoken with him, but this is the kind of impression he left on me. Gone way too soon, but you gotta admit, he's gonna make 1 hell of a guardian angel 😊. RIP Buddy.

“ Jeremy baby this can't be true at all, you changed my life, you are always going to be in my heart and how could I ever forget you. You loved me for me, and took on my daughter, you stepped up more than anyone ever would. I'm happy you got to bond with Paisley, you were there the whole time, she is going to miss you I'm going to miss you. You were the light in my life and I was ready to start a family. We had our little girl, now we just need to power up, but God needed you for something else but I will never let you be forgotten ever, I love you Jeremy more than you know (even though I know you know it's a lot) make sure you watch over Paisley for sure, while I get her home where she needs to be, I love you baby I wanted to make it to the end with you.

This precious angel is sadly going to grow up never knowing the man who will forever have loved her more than anyone ever will!! All you wanted most was to be a dad and it pains me that you are gone before you got much of that chance! I know tho that you will be watching over her without any doubt! That I know to be fact! You will forever be deeply missed best friend, you are my brother I always wanted growing up and had for too short a time after I did, you protected me, gave me strength when I had none and was there for many just a phone call away. Tell Dad I said hello and that I miss him dearly as well! Give him a big hug for me please! Y'all took me in like family and was there for me when I needed it most! For that I'll be forever grateful, I'll never forget you best friend! You will forever hold that special place in my heart ❤️ fly high love. I love you Jeremy.
