“ *Uncle Jimmy was one of my favorites ❤️ His house was always one of the first I'd run to when I came to Carrabelle. I remember him taking me on the back roads in his van to practice driving.. going on nature walks, grabbing some ice cream in town, and him constantly making fun of my music choices lol!*
When I came last to town for grandmas funeral I was able to see him for the last time. Even then was he cracking jokes with Kim & I. I'll always remember the way he grabbed my hand with such love in his eyes telling us how much he loved us and to pray for him!!! I love you Uncle Jimmy and cannot wait to see you again ❤️
