

Joan Kay Redemann

January 5, 2024

Joan Kay Redemann passed away on January 5, 2024 in Tallahassee, Florida after battling several medical conditions.

She was born in St. Louis, Missouri to parents William and Janice Burggrabe. Joan grew up in the Girl Scouts, which would not only lead to her involving her sons in the Boy Scouts, but to volunteering as a Den Leader and teacher, as well as a Unit Commissioner. She touched countless lives volunteering her time with the Suwanee River Area Council Boy Scouts of Tallahassee.

Those who knew Joan will remember her passion for education, earning a Bachelor of Arts in Music, a Bachelor of Science in Nursing, and a PhD in Computer Engineering. She also touched the lives of over 100 dogs and puppies through fostering with the Leon County Humane Society.

Joan will be remembered for her kind heart, her glowing intellect and her steadfast faith. She loved God and the Lord Jesus Christ, and is now awaiting her Lord's return where "death is swallowed up in victory."

Joan leaves behind her loving husband, Richard Redemann; her children David and Matthew Boyd; her grandson and light of her life, Zayne Boyd; her mother Janice Burggrabe; and her sisters Beth Brand and Lee Overholser, as

well as a host of extended family members and friends whom she adored.

A Celebration of Life is being planned for a later date. Joan requested that memorial contributions be made in lieu of flowers to the Boy Scouts of America, Suwannee River Area Council (www.suwanneeriver.net/support-scouting/friends-of-scouting/) or the Leon County Humane Society (<https://www.leoncountyhumane.org/donate/>).

Breanna Green of Bevis Funeral Home (850-385-2193 or www.bevisfh.com) is assisting the family with their arrangements.

“ Rick,

I'm sorry that I couldn't attend the service today, but plan to come down hopefully this spring. Somehow I didn't get the zoom link to the service. I was so shocked to hear of Joan's passing! It was no doubt that she was your soulmate. We also shared that our wives brought us so much closer to God, and we can certainly thank Him for that! Her faith brought out the very best in her and she was a blessing that positively impacted so many that were a part of her life on earth! Our last visit in April, 2022 was great and we appreciate our sharing of faith in an awesome God!! You are in my daily thoughts and prayers for His comfort and peace in knowing that she's experiencing the ultimate joy in Heaven that we look forward to so much in joining her some day. We've been through a lot since those days at UWP, and I hope you know that I'm always available to talk or help in any way possible!

Take Care, Steve

“ I remeber uncle Rick and aunt Joan making a trip to Wisconsin 11 years ago to visit my parents. My daughter Judith had never met them and Judith was attached to aunt Joan's hip the whole time. Judith was 3 years old at the time. I also remeber being diagnosed with ADHD as a teenager and she got a whole lot of information for me about it, She didn't even need to do that. I remeber going to the beach shortly after she married my uncle Rick and being at there wedding and being told put your shoes on the floor is disgusting. 🤢 she sure new how to keep the house clean. I'm still trying to figure out how she was able to get the grout clean on the shower floor in my uncles home. She was a wonderful mother, devoted wife, and an awesome aunt. Rest in peace aunt Joan.

“ We have known Joan and her husband Richard for many years. As stated, she was a smart, wonderful person with a kind heart. We were excited when they moved back to Tallahassee and enjoyed our monthly “dinners” with them. Our thoughts and prayers are with Richard, David, Mathew and Zane.
