“ *Carol,
I am so glad to have had Jack in my Life!
He pointed out to me that everything decision wise for me was
"Black" and "White".....when in fact....life is full of "Gray". It never
changed my perception.....but it certainly changed how I interacted
with others.
Jack was unique....chemistry smart.....product savvy....and inspired
one to get the value from their knowledge.
I am so proud to having had him in my life as a partner and Friend.
Our prayers are with you and your family.....our Trust is in God
that Jack is in a better place that we will all one day meet again.
With Love and Prayers,

“ Carol,

I'm very sorry for your loss. Your care for him over the years was admirable, to say the least. I believe Jack is now in a place where he has no pain. Take care of yourself.

“ Carol, the times we shared and prayed in our small Christian community, in our homes, over the years while at Nativity was beautiful and so very important. You and Jack will always have a special place in my heart. May God give you peace and comfort and prayers for the repose of Jack's soul.

“ Dearest Carol . . . So sorry to hear of Jack’s death - not for him, of course, but know how difficult it must be for you and your sons. What a great guy he was - we both were so blessed to have such wonderful husbands. i am only sorry I will not be able to go to Tallahassee for his services. Know that I will be thinking of you and keeping you and your family in my prayers. Sending love . . . Marge Rafferty

“ I will never forget Jack. We worked together at Arr-Maz for many years. We had a drainage problem in the parking lot. I looked out of the window, and Jack was out there in his nice clothes with a shovel filling in the holes. He made sure that I gave my official Arr-Maz "Goddess" business cards to our suppliers. My husband sent me 1000 of them so I had a lot to give away. He always put a smile on my face, and I think of him often. My prayers are with his family. God Bless. Karen Schultheis

“ Jack was a super nice guy. He was always willing to help you if you needed him. Whether it was work related or not. I remember he liked telling blonde jokes whenever he visited the NC plant or if I was at the FL plant, since I am a blonde. I would even call the FL plant and before I hung up, he would say, "oh let me tell you this joke I heard. I always wondered how he remembered all those jokes. He was such a hoot and joy to be around. I remember he was a great story teller too. He would have everybody laughing. Mr. Jack touched so many lives with his great wisdom and personality. My prayers and thoughts are with the family. I know he will be truly missed!
