“ Prayers for the family during this difficult time. May the fond memories bring comfort to you. I enjoyed working with John at Dept. of Labor and AWI. He was always smiling and cheerful to be around. He always made time to discuss projects and very willing to provide immediate service. He did excellent work and always went the extra mile to please the customers. He was a joy to know.

“ So sorry for your loss. I knew John through his graphic design work for the Department of Health. He was so kind. He always had time to see me and was generous with giving us jobs to print. Carol Lassiter, Durra-Print, Tallahassee.
