“ *John's brother Jeff asked that I share his love and heartfelt sadness. Jeff has many memories from the great music they shared to their love of computers. It's never easy to lose a family member. Jeff had many nicknames from Mowman to Red to Johnny. I love you Mowman! Posted for Jeff Reliford.*

“ Although I did not know John we were fellow classmates from EHS class of 1971. Whenever another classmate passes it breaks my heart that God takes another one home. My deepest sympathy to all his family and I hope and pray that God provides you with the comfort you need.

John was my eldest brother, me being the oldest, a girl, of five. When he was newborn, my mother said he looked like a baby bird that just fell out of its nest. John had a little white dog he named “Boonie”, who lived for nineteen years. Every year when John was grown, I’d get him the new Steven King novel. He was a voracious reader. My father bought John a German Shorthair Pointer, thinking that hed go out with John to hunt birds. John found this idea disagreeable, do Scout became his pet. As the first born and female, I know firsthand what a special soul was John. His loving sister, Dorinda

“ John was first a pen pal then became my close friend. He was at my home wedding and we always had Christmas and Thanksgiving dinner together. He studied Reiki from me and we were neighbors when he lived on Alligator Point. I will miss our long philosophical discussions while looking out on the Gulf of Mexico or fishing.

“ John was my best friend and constant source of support. He loved life and never gave up fighting until he couldn't fight any longer. You will be sadly missed John because of your strong sense of character, your wit, sense of humour and especially your compassion for your friends. Jill..

“ John Reliford was diagnosed earlier this year with cancer. He fought until he could no longer fight this awful disease called cancer. He is no longer suffering!!
