“ When we first gave our hearts to the Lord we were so happy and I remember one day I was singing the old hymn The Old Rugged Cross, and Roger heard me singing it but, I was singing one of the words wrong. I was saying on Calvary's street and it was suppose to be Calvary's tree. Roger started laughing and said you know it was the tree where He died right and I said yes, I was saying tree, and he just kept laughing and said ok if you say so !!! It was so funny to him he could'nt stop laughing. I'll never forget that day or all the times we had back then. I will miss him sooooo much and his sweetness, but most of all that big old grin. See you soon cuz !!!!

“ *To the Wade family. The memory of Roger and his love for my sister, Donna will never be forgotten. They were like two peas in a pod. Always together.*

Ephesians 5:31 For this cause shall a man leave his father and mother and shall be joined unto his wife, and they two shall be one flesh.

When Donna passed away Roger was at a loss without his other half and expressed joy for the day they would be reunited. Our family feels your loss. Roger was the best. Roger's presence and huge laughter will be missed.

“ Roger was my brother in-law. The relationship between him and Donna was special. God surely put those two together. Roger was a kind and gentle soul, he had a laugh that when you heard you could not help but smile. Rogers devotion to my sister throughout their marriage and at the end when Donna was battling cancer was surely what the vows "in sickness and in health" means. Roger honored those vows. In his passing I not only lost a brother in-law but a friend.

“ I stumbled upon this obituary on a friends Facebook. When I looked at the picture of Mr. John I realized I recognized the man in the photos. It has been years since I have seen him but about 5-6 years ago this gentleman and his wife were regulars at a Subway I worked at in Crawfordville. I worked at this establishment for about 3 years so I saw him alot over those years. I didnt know Mr. John personally outside of work but I always reconginzed him and was happy to see and talk to him everytime he came to the resturaunt. He was always so nice and very polite . I just wanted to say that even though I didn't know him personally he always left a good impression and you could tell he has a very kind soul. My condolences to his family and friends <3

“ Roger you and Donna were some of the best people known to mankind. Donna was a lifetime friend from my childhood at NLC and I met you at NLC while attending there in the late 1970's. You are both going to be missed down here but I know you two must be rejoicing together now. RIP Roger & Donna Wade ❤️🥺 Enjoy your glad reunion day my friends!!!
