“ Johnny

Still can't believe you're gone.

Glad we were able to chat for a minute the other day. What a good friend you were to our family. I will never forget when my Mama died and when we got to the County line you were there to lead us to the cemetery. I later found out you asked for that detail it meant so much to my Daddy and my sisters and I.

You were a character for sure ... I remember when I got my new car and you stopped me going home to "Check it out" as always you scared the crap out of me and you thought it was so funny

My heartfelt thoughts and prayers are with Ms. Carol, Johnny, Gary, Richard and the family.

~ Rest easy my friend ~
