Such a beautiful service. I felt the LOVE that JOY had as she touched so many people along her path. Sparking JOY through our lives should be everyone's mission.

Sending LOVE to all of the the family and friends as they navigate their lives without Joy in the physical but feel her presence with them always.

Joy was my cousin who was loved dearly by everyone who knew her. We didn't see each other often because me and my brothers live in Florida (sister is in Va) but that hasn't made our love any less. What happened to Joy is a tragedy and hard to accept but what is comforting is knowing that she is with God and those who left before her. You will be greatly missed Joy bug. Love, your cousin Beth 🦋

“ My heart hurts for her family! My name is Judy Brown and I am Brantley’s grandmother. I had the pleasure of meeting Joy when she was dating Brantley. I was visiting with him while his parents were on a mission trip to Guatemala. Joy came over several nights and ate with us! I so enjoyed her and we hit it off right away! Her laughter rang all though the house. There was such true joy in her heart! God saw that joy and needed her to come home with him. My prayers are with all of her family and friends! If you have asked Jesus into your heart, we will see her again!
