“ Today we say see you later to a great man. Juan Esparza it was nearly 16 years ago we met through Tim Cortez. Instantly you became a rock in my life, steady, caring and always there. You came with me to some of the hardest appointments I’ve ever had to go to, we celebrated life together, we mourned, we spent days shopping and nights singing. It was always a good time. Thanks for the flowers at dawn on Mother’s Day, the special memories and your friendship. You’ll always be in our hearts. Xoxo

“ Juan was my best friend from high school. He was my daughters godfather. He was probably the kindest human I have ever known. He was always there to help a friend. My family and I will miss him. Probably not the first to say it and probably not the last; he was Juan in million.
