“ I'm holding your family close to my heart and praying for you all. Julie was a beautiful person inside and out. She had a warm heart and always made everyone feel good. I loved being with her! I will always remember her laughter and her great sense of humor. She went out of her way to stop by to see me and a friend at a Gator tailgate when I was in Gainesville a few years ago. We had such a great time catching up! I feel so blessed and thankful to have seen her that day and to have known her, even though we didn't get to see each other very much since we graduated from high school. She will always be someone I love and admire.

My heart aches for your family and for all of us who loved her. I will miss her so much, but I know that she will be watching over us from heaven.

I pray that you will feel God's loving presence beside you every day and that you'll have peace and comfort during this difficult time.

With love,

“ *Known to me as Julie, Jules....but most of all my friend. She always had a smile, a kind word and a softness to her. She always encouraged everyone in school to keep working hard, have fun and smile. She was a shining bright star for our class of '82, with her spirit and zest for life. My heart goes out to the family. Know that she will always be with you and watching as your angel. She was a angel on earth now she is Gods angel.
Gods blessing on all of you!

“*Julie was one of my most favorite friends at Buchholz. We shared a love of music and sang together almost constantly. I can't even think of her now without thinking of the songs we sang. Every hairbrush became a microphone, The Eagles, Journey and Kansas and Toto... Such happy times. I remember her biting tiny marshmallows in half and sticking them on your cats nose. I remember her brushing her teeth each night with two different toothbrushes. I remember her getting in her boiling hot car and sitting there a minute and saying "Ahhhhh, it feels like a sauna!" And me thinking to myself, "turn on the AC!" And I remember her funny little chipmunk voice she would talk in. She was beautiful, kind, funny, fun, friendly and welcoming to everyone. Bill and boys, Sally and Mr. and Mrs. Baird I am so very sorry for your terrible loss. I loved her and am so thankful for the happy memories she left all of us with. My thoughts and prayers are with you all.*

*To me what describes Julie was her constant and unconditional
kindness. Her kindness crossed friendship circles, crossed state lines,
crossed country borders. Praying that Julie's family is comforted by

“ Julie,

You lit up a room not only with your beauty but moreso with your warm, welcoming smile. You have always had a kind heart and zest for life. I've been reliving memories with you all day...all the way back to middle school. I have so many memories of you cheering on the Bobcats, freezing on the way to school in your little sports car with no heater, spending mornings in American Lit where you made me run for Student Government against you and you won. When I moved to Tallahassee, you reached right out to me. I will always remember your warmth, kindness and fun mischief; how much you treasured being a mom to Nick and Matt; and the love you showed your friends and your family. Praying mightily for Bill, Nick & Matt and all of your family in such a great loss. <3 <3 <3 Sending condolences to all of the family.
