“ I loved to hear Julia bear her testimony of Jesus Christ. She was the first one on Fast and Testimony Sundays. I would sit as close to her as I could in meetings so that I could listen to her beautiful bass voice as she sang. No matter what happens in life, we can be forgiven. I learned to love, admire and respect her.

“ I drove Julia to Gainesville for a Doctor's Appointment. What a great conversation we had. She was telling me about her childhood days and running about her father's medical office in California. She told me how her mother taught her to be the best nurse you could be. It was an amazing time.

Julia was kind and loved to read. When she was reading Jesus, the Christ, I gave her a copy of Understanding Talmadge so her understanding would be more complete.

She has a great laugh and a warm heart. How she loves her little granddaughter here.

I would think of her often and visited her while in Crawfordville. I will miss her.
