Was fortunate to have been able to meet Karen Laughlin in recent years, through a number of events & programs held by the Taoist Tai Chi Society. A calm, inspiring and humble presence and who will be sorely missed.../Randy Chan (Canada)

“ *I considered Karen Laughlin a friend and a mentor in so many ways. I will always remember her steady presence and guidance in Tai Chi. She had such a calming way about her. And as I got to know her more, I appreciated the depth and breadth of her capacity to lead. She had a good heart and is gone way too soon.*

“ I knew Karen through the Taoist Tai Chi Society where she was an inspiring and supportive instructor. I was very privileged to attend a number of events she led, in Europe and in Canada, and soometimes to share "off-programme" time too. Always patient, supportive and kind, she gladly shared her very wide experience of the Taoist Arts and her work with our Founder, Master Moy Lin-Shin. Her Women and Tai Chi workshops were an all-round life-enhancing experience. I'm grateful to have known her, and send my deepest sympathies and warmest wishes to her family and friends.

“ Karen taught me the wonderful tai chi. Even more importantly, she taught me the value of chanting. She was always a pleasure to see and made everyone feel welcomed. She had a special warmth. I am grateful to have known her.
