Our Dearest Kirby,

From the moment you were born you were the light of our lives. Your beautiful blue eyes and perfect smile filled up the room.

Watching you grow from a wobbly toddler to a tall standing confident young man has been the joy of our lives.

Your zest for life was infectious and your caring heart made us desire to be better people.

We loved watching you play every sport your heart desired and adored watching you play your Double Bass.

You will be missed but you will not be forgotten. You had such a large impact in your short 16 years that many will never forget.

Until we meet again,

Your loving parents, family and friends

“ Though Kirby and I only overlapped by one year in the Chiles High School Orchestra (he was a freshman when I was a senior), his positivity and resilience amazed me then and still inspire me today. He was a freshman in a sea of upperclassmen, one of two bassists in a bustling chamber orchestra, a football player amongst - let's face it - a mass of less athletically-inclined orch dorks, yet he held his ground... and even did it with a smile. I am truly heartbroken for his friends and family, and for others who had not yet experienced his light, but I know that his kindness and strength will continue to inspire us all.

“ I will forever remember Kirby as being the most genuine, kind, and happy human being. Each early morning, in orchestra class, he would always greet anybody and everyone with the biggest smile. When I think of Kirby, I see someone who was teeming with life. It is heartbreaking to know that he will no longer be here to share that gift with the rest of the world.

“ Kirby was a memorable, enthusiastic student in my third grade class. He was full of energy, fun and a tiny pinch of mischief. I was pleased that he had found a love of music in playing the double bass. My heart is broken for you, but I know that you are so proud of the fine young man he grew to be. Treasure all of your precious memories.

“ Kirby was the most caring and happy person I have ever met. He always made me feel like an important part of the Chiles orchestra. I will forever miss our conversations about the Greek food festival, our walks together to second period, and our jokes about eating pizza for breakfast. “ I first met Kirby when I went to Chiles High School and TYO. I mostly saw him playing the double bass in orchestra, and I noticed he tried hard and played very well. He was also very friendly, and he got along with classmates easily. Kirby was an inspiration to me and I'm so glad that I got the chance to meet him.

“ Kirby was the sweetest soul and was so hardworking. I shared orchestra classes with him for many years and was constantly impressed by his passion for music and his motivation in pursuing his goals. I especially loved joking around with him and getting to know him better in orchestra this past year. Sending lots of love to your family.
