“ My condolences to the family. May God comfort you during this time. He knows what we suffer and he is a God of loving kindness. He loves us so much that soon he will put an end to all suffering. (Revelation 21:3,4) He will heal our wounds by bringing our loved ones back to life. He promises to resurrect them in John 5:28,29 and Acts 24:15. It is so comforting to know that we will be able to hold them in our arms again here on earth in paradise. I have learned more about this promise at jw.org. I hope that learning more will comfort you as it comforts me.

Sincerely,
Rose
