“ Kyle and Heather were deeply in love and had plans to tie the knot and start a family. They were both excited about building a life together and pursuing their dreams. Kyle was a devoted son to his parents, John and Karyn, always there to support them whenever they needed him. His family meant the world to him. Kyle was also a great friend, and anyone who had the privilege of meeting him was truly blessed. Sadly, he passed away too soon and will be greatly missed.
