“ *Spencer, I was sorry to hear about your dad's passing. I don't think I've seen you since you were in my 4 th grade class at Holy Comforter. Can't believe so many years have gone by. I didn't really know your dad but he was blessed to have you as you were to have him. Praying for peace for you and your family. Blessings, June Stivers 🙏❤️*

“ *I am very sad to hear the news, but Larry and Sheila are together again. 🙏 condolences to David, Larry, Spencer, Randy and all his family, and to Devlin, and all his work family. Idk about the patent, but his filing system was unique to be sure. Lived through that, and many deadlines. I enjoyed working for him, learned a lot. He was a very Godly, happy, and generous man. RIP 💔 🕊️ Ttyl, I'll be busy accumulating my depreciation till then.*
