“ *Lassie became one of my best friends after Rosa Lee (my sister-in-law) her good friend had her stroke. She was a ray of sunshine to come around, visit with Rosa Lee (even though Rosa Lee couldn't talk) and visit with Fletcher following his heart surgeries. She and I had one of the funnest overnight trips I ever took to Lake City to a 60th anniversary pf 2 of their friends (G.W. and Elga Hunter). Don't think I have ever laughed as much as I did those 2 days. She was always available when I needed a listening, loving ear. A favorite memory is every time she called me she would say "this is Lassie from Tallahassee". To many this will mean nothing but to those who know, you know. Heaven has gained a precious soul.*
