*Charlene, Thanks so much for the gift for Daddy. The flowers were beautiful you all sent. Daddy's memory will live on in the hearts of all who knew and love him. Sorry you are having to deal with the similar issues with Uncle Charles..."Joy cometh in the morning." Daddy's funeral was done by my son Robert "Bullfrog," his memory was well documented by all. Sorry you all couldn't be there, but understand. We felt your presence and prayers.*

*Uncle Charles, You and your family have meant so much to our family. We appreciate the prayers, flowers and phone calls. He is now at peace with those who have gone on before, Moma, Grannie, sisters and brother..you would have been proud of the service we had for him. Robert, our son did it with the "Register" panache'...used Daddy's caps for a final "salute"(ones you contributed as well). Wish they'd video'd the service, I'd send you a copy. We felt your prayers and presence. We're praying for you and Aunt Pat.*
