“ I had the pleasure of meeting Lee 11 years ago. He was very kind and welcoming to me. Through the years we spent many hours talking about his family and experiences. He also always laughed that as a kid.... he rushed to a dentist when he had an issue with his eye!!! He always liked that story!!! He welcomed my son when he was born and always had a smile on his face when they were together. I will always cherish these memories. He is at peace now, watching over us. Rest In Peace...now reunited with Linda.
