

Lee Anne Allen

January 9, 1955 - February 1, 2023

Oma Kit is reaching for the brass ring on the great carousel in the sky. Lee Anne "Kit" Allen was born 9 January 1955, and passed away peacefully on 1 February 2023.

Kit was many things throughout her life, and she was always proud: a Navy Corpsman, an Educator, a Mom. Oma. She could not have been happier or more proud to be a grandmother. The spark in her eyes has faded, but it lit a glorious inferno in the eyes of her amazing granddaughter. They loved each other so much.

Kit is survived by siblings, Bill and Melodie; daughter, Shannon; son, Jason; daughter-in-law, Nicole; and granddaughter, her Lily. We loved her.

We miss her so much.

She was lovely, silly, strong, and funny. She loved carousel horses, Basenjis, and koalas nearly as much as she loved to laugh.

Kit will be laid to rest on Monday, 20 February 2023. Navy Honors Services will begin promptly at 0900 at the Tallahassee National Cemetery, followed by a memorial service at Bevis Funeral Home at 1030 (200 John Knox Rd). For anyone that may not attend in person, the memorial service at Bevis will be live streamed online; a recording will also be there indefinitely. Todd Wahlquist with Bevis Funeral Home (850-385-2193, www.bevisfh.com) is assisting the

Allen family with their arrangements.

Sis I don't have the words to express your loss, and to lose you so soon! I am grateful for our talks and your level head! Especially grateful that we talked before you leaving. No matter what, we didn't talk enough and I wish I had seen you before passing! I have many great memories from our child-hood that only we know, but not enough cherished moments as adults! I love you with all my heart and will forever miss you! You brought into this world two amazing kids that have become remarkable young adults and parents! Your compassion for others and passion for life will be carried on through them! Wish I could have seen you with your besengi's. I remember ours as kids and I hope the kids find good homes for yours as they were family too! There is so much to say and so much that was lost and I keep trying to write this through the tears! I miss you terribly and like everyone we think we have more time! As we talked I was hoping to see you later this year! I promise I will never take time for granted again as I robbed us of so many amazing memories by doing that! Keep a vigilant eye over all you blessed this world with and we will talk and make up for lost time when we see each other again! I love you brat!!! Say hello to mom and dad! You were the best if us and I miss you terribly! Love you!!

“ Aunt Lee...I can't believe you're not here anymore. I wish we got to see each other one more time, I'm so sorry I didn't reach out more. I still remember the song you used to sing for me when u came to visit, "Dayenara picks her nose, rolls it into balls and sticks it in her toes". You were so funny, so laid back and down to earth. The spot where you used to smoke in the back yard, is the spot where I go to clear my mind. I see so much of you in my mom, and in me, and it breaks my heart that I'll never get to visit you 🥹 I'm not good so good with death so it's hard to find the words to express how I'm feeling, but I hope your in peace now, no more pain, rest easy my beautiful auntie, I love you so much! ❤️❤️💕💕🙏🏻📱📺
