“ Les was an amazing man who almost always had a smile on his face. He loved to tease me about putting mustard on my meatloaf (that he had cooked at church) and remember to set the mustard out for me each time. He made the best roast beef I have ever had, and that I will miss the most...LOL Les and I loved to pick on each other and bring up stupid things or jokes in regard to things that happened at church. Hip ... IYKYK... Les, until we meet again love you!
