“ Aunt Lida, thank you for the caring love you have given over the decades, and for reminding me of my own mom, your older sister. My first trip to San Francisco, you chaperoned me when I was 8, and you were 18. I later lived in San Francisco for 15 years and stayed in touch, visiting you when you lived in Chicago, and then Tallahassee. Then I moved to Madison, Wisconsin and continued our correspondences, from my visits in Europe to Asia and back, from my educational odysseys, to most everything else, you were the Aunt I stayed in touch with...another great loss and more silence in my life. I will miss you. Love, David
