“ *Ms. Maxine was the Best Bus Driver Ever!! Coach Graham and I thought she was the BOMB! She had that embroidered jacket and was always so kind and laughing and good:) Coach also remembers her as the best ever. We knew if Ms. Maxine was driving, not only would we get there on time, and safely, but with all the positive energy ever. The kids felt it too:) She will be missed ... but a role model for everyone!*

“ *Maxine was always smiling. On her bus there was peace, and safety. The students loved, and appreciate her to the upmost. All the years I worked with her don't remember a day she missed working. She loved her job. Loved the students even more. Maxine cannot be replaced. She was a the best.*
