“ Pam, I was sad when I read of the passing of your mom. She was a good friend of mine in high school and I always enjoyed visiting with her at our Leon High School Class of '56 Reunions. She could always catch me up on the latest news of classmates and friends as we relived our fun slumber parties at Dot's, trips to the coast and dips in sinkholes and Wakulla Springs. I will miss seeing her at those reunions (if I, myself, make another one) May she be gliding with angels and eating ambrosia in paradise and may you find comfort in wonderful memories of your time together.

“ Pam,

*I'm so sorry to hear of your mom's passing. She had a way of making each person she spoke with feel loved, but could also have a group of us in stitches with her subtle wit. The Advent community missed her so when she moved to Georgia, but how wonderful she found a home at St. John's.*

*Please know that my prayers are with you and the entire family.  
Love, Ann*
