“ I am so sad to hear about Linda. She was a wonderful dancer that we met at Arthur Murray years ago. I hope her sweet little Havanese will be fine. I know she loved her little pup.

“ Linda and I have been friends for a long time. We were both artists and talked on the telephone often. We sent cards to each other through the years. She was very talented. I often wanted to do watercolor but decided on oil painting. I loved Linda. She was very sweet and pretty. Linda and my Leon friends helped me when I went through depression. Her family are in my prayers. Never cease praying. Prayers are always answered in God's time. LaHua.
