

## Linda Bentley Seyboth

March 29, 1936 - September 6, 2021

Linda Bentley Seyboth, age 85, passed away on September 6, 2021 in Tallahassee, Florida. Born in Bowden, GA on March 29, 1936 to the late Richard and Naomi Bentley, she was raised in LaGrange, GA and moved to Tallahassee, FL in 1973.

Linda retired from the State of Florida Department of Highway Safety and Motor Vehicles in 1996. She was also a dedicated newspaper carrier for the Tallahassee Democrat for 40 years, working right up until her passing. She took great pride in providing excellent customer service to her Democrat customers. Her co-workers were like family, and went above and beyond to help her continue doing the job she loved until the end.

She enjoyed growing flowers and was an avid reader. Linda will be remembered for her dry sense of humor, colorful personality, and ability to make you smile when least expected. Often complete strangers would benefit from her thoughtfulness and generosity, while she remained bewildered by the the kindness and love shown to her by others.

Linda is survived by loving daughters Robbie Sharp (Tom Core) and Angela Broome (William); grandchildren Brittany Broome (Seth Rumsey) and Tyler Broome; great grandchildren Wesley and Cristal; sister Carolyn Derbyshire; many nieces, nephews and cousins; special friend BJ West, and a host of

extended family members who will remember her fondly and miss her deeply.

She was preceded in death by her husband, Fred E. Seyboth, Jr. and sister, Flora Howle.

Graveside Service will be Friday, September 17, 2021, 1:00 pm at Tallahassee Memory Gardens. The family respectfully requests masks be worn at the outside event.

Breanna Green of Bevis Funeral Home is assisting the family with their arrangements. (850-385-2193 or [www.bevisfh.com](http://www.bevisfh.com))

“ I was so sorry to hear of Linda's passing. Prior to Linda becoming my paper carrier, the previous carrier would throw the paper over my gate so my little dog could retrieve it and bring it to the house. This was a morning ritual for her. When Linda started, I noticed that the paper was thrown outside of the fence. I contacted the paper and asked if it could be thrown over the fence as before. Linda called and we talked about my dogs wish to bring in the paper, but it would need to be thrown inside the fence. No problem, she said and from that day on the paper appeared inside the fence. Such a lovely gesture on her part.

“ Deepest sympathy in the passing of your family member. I was just one of the many people on Linda's paper route for a number of years. Before Linda became my carrier I was about to just give up on the Democrat due to poor delivery and service. Linda changed all that as a woman in her late 70's and 80's. What a warm, caring, efficient and professional person she was! I will never forget one morning about 11:00 a.m. after a pretty serious wind storm had gone through town. I thought the roads to my neighborhood were totally obstructed but here came Linda apologizing for being late to deliver the paper! I couldn't believe my eyes! Linda was always far more reliable than the U.S. Postal Service - or any other vendor I have ever dealt with. She gave me her phone number and told me to call if I ever had any issues with the paper. The only times I called her were times when the paper did not arrive and I got worried she might be ill. She was a joy to talk with and made me feel like I was almost part of her family! And that was always the case. No one who ever subbed for her was ever as precise, prompt or thoughtful as Linda was. I felt like she was a friend and I mourn with your family in Linda's loss. Blessings for your family at this sad time. May your many good memories of Linda ease your sadness.

“ Prayers for all. Linda was a very special person. She was always there as a shoulder to cry on or an ear to vent to. I will miss her very much. It always made my morning more special to see her picking up papers. She befriended me when I first began delivering for the Democrat 24 years ago. She will be missed.
