April 23, 2006 - June 22, 2025

Lorenzo Cary Albert Hillman (19) of Tallahassee, Florida passed away June 22, 2025. He was born April 23, 2006.

Cary was always active in sports activities growing up. He enjoyed playing soccer and baseball with his buddies. Later in life he found a passion for skateboarding and enjoyed spending afternoons at the two city skateparks.

During spring breaks he enjoyed visiting relatives in South Florida and Key West. He had a love for the beach and all things water related. At the beach he enjoyed body surfing and riding a boogie board.

At Christmas and during the summers he had the opportunity to spend time with extended family in New Jersey.

Cary enjoyed playing video games with his buddies. His friends have said that he was always the best on his team. They were always amazed how he could crack jokes and hold complex conversations all while being the best team member.

Everyone that knew Cary knew his funny little giggle. Hearing him giggle made you want to smile. He had a complete zest for life and looked at the world with eyes wide open. He was curious, smart, and made a lasting

impression on his friends. Cary lived life on his own terms from the beginning to the very end.

Gone too soon but he will live on in the hearts of his loving family and friends.

He is survived by his devoted parents Lorenzo and Christina (Church) Hillman, his loving sisters Kylee and Araya Hillman, his maternal grandparents Albert and Judith "Judy" Lokofsky and Lorenzo V. and Barbara Hillman, his aunts and uncles Lorie Costanzo, Lisa and Bill Gephart, Walter and Lori Hillman, cousins Matt Costanzo (Kathy), Matt Merrill, Erica Gephart, Candance Melo (John), Zachary Hillman and seven second cousins.

“ Cary, I loved you so much from the moment I saw you. You were literally too cute to handle with your big eyes and sweet little face and that’s still exactly how I see you today.

*I absolutely love your two sisters and parents more than anything, but somehow it never felt like the fun was truly complete unless you were there too. I remember how excited I was to get my driver’s license just so I could take the three of you anywhere you wanted to go when you were visiting us in New Jersey.*

*As the years went by and you seemed to grow a foot taller every time I saw you, it was hard to believe you weren’t still that little boy I adored. What always stood out to me was how sweet and polite you were. Wherever we went, you made a point to thank every cashier and staff member something that always stuck with me.*

*When I had children of my own, it made me so happy to see them spending time with their big cousin. Even though us “older folks” may have given you a hard time now and then about what you were doing in life, my kids looked up to you like your biggest fans.*

*I’m going to miss everything that could have been, the future I had imagined for all of us as a family. I’m heartbroken that you were robbed of that time. But I will carry your memory with me, always.*
