Lorraine Johnston, 81, passed away Feb. 4, 2013. She spent the last three years of her long life in wonderful Sopchoppy coming from Picayune, Mississippi. She loved the country ways and the morning campfires. Her stories were enjoyed by young and old and we couldn't wait for her next thought to be said. She will be sorely missed, but, we know she is where she belongs. There will be a private memorial for her on a later date. She was a nurse for most of her life providing care in local nursing homes in Louisiana. She is survived by five sons, Tommy, Bernie, Mark, Audie and Gene. Five daughters, Joy, Rita, Sue, Alice and Jessica, one brother, David. Eighteen grandchildren and twelve great grandchildren.
