“ You claimed me as one of your own not even two months into meeting me. You knew I had it in me to keep your grandson in check and even when he and I had our differences, you still called weekly and wanted anything and everything to do with me. I had no choice, WE WERE FAMILY. You helped raise my partner to be the man he is for me today and also helped shape me to be the woman he needed in life. I’m so grateful to have been apart of your life and look forward to the day I can see that smiling face again. I so wish you could’ve met our baby girl, I know how elated you were for her arrival, but boy is she lucky to have such a perfect guardian angel
💕 Love and miss you, Nan.
