“ *I was in Apalachicola this past May at a painting workshop. I am close friends with Mary Jane Stewart, Voncille’s sister. My car broke down so I couldn’t get to the painting workshop in Port St. Joe. I talked to Mary Jane and in an hour she and Voncille and Earl were at the Inn where I was staying and they left me Mary Jane’s car and visited a while then headed back to Carrabelle. I was trying to buy them supper or a drink and Earl said, “Barb, we’re put on this earth to help each other.” I will never forget this wonderful man and his awesome wife. Love the whole family. God’s blessings to everyone, especially Voncille* ❤️ ”
