*My condolences to her family, Toni was a special person. I went to Carrabelle High with Toni in 1976-77. I guess some would say we were an item as we were always together at school, I had the privilege of escorting her to the prom that year and she was something to behold, the sparkle in her eyes and her smile had me won over. I moved to NC after school that year. We wrote and talked on the phone for a year or two and then we drifted our separate ways as young people tend to do. Again I am truly sorry to here of her passing, Heaven has another Angel.*

“ *Toni was like a sister to us. I remember when we were kids Toni, Cathy, and I would climb the mimosa tree in Aunt Frankie's front yard and just sit and talk. Toni was a private quite person. I never heard her say a mean thing about anyone. Now she liked to listen and would cover her mouth and try not to laugh. We always loved it when she and Timothy came to visit after she would get off work. The last time I saw Toni was after Micky had passed. We were at Mom and Dads. She was working that baseball cap. She was getting stronger and she was in-love with Wayne Cooper. You could just see the love they shared. It made me so happy that God had sent her such a honorable man. Toni I love you sister and will miss you beyond words.*
