“ MY best and dearest friend, I will miss you and our Sunday night talks, your wonderful sense of humor and the prayers you always sent my way. My Jordan remembers when at Tom Wahls you taught her how to blow through a straw and she blew pepsi all over you..I will treasure that picture forever...and the little moccasins you sent when my Krista was born. Goodbye sweet lady I will love you and miss you forever, but I know you are with God now....God bless your girls and their families, Micki
