

## Margaret Ann Pichard

August 20, 1950 - July 19, 2025

On Saturday, July 19, 2025, Margaret Ann Pichard shed the bonds of pain and suffering and left the world of the living.

She leaves behind her spouse of 54 years, David; two sons, Bryan and Michael; two grandchildren, David and Juliet and daughter-in-law, Maggie.

Gentle, compassionate and generous with her time, Margaret will be forever remembered by those who loved her. Even on the hard days, her beautiful light shone through. May she go in peace.

Kelly Barber of Bevis Funeral Home (850-385-2193 or [www.bevisfh.com](http://www.bevisfh.com)) is assisting the Pichard family with their arrangements.

“ Margaret was one of my mother’s dearest friends, and, as a consequence of their friendship, I got to know Margaret. When my mom passed, Margaret was there as a source of support for me and she helped me wrap up mom’s affairs. Like my mother, Margaret was very knowledgeable about dolls, and so Margaret was very helpful in figuring out how to deal with mom’s fairly extensive doll collection, an act of kindness for which I will be forever grateful.

Margaret was an accomplished quilt maker and my mother had two of Margaret’s quilts. Margaret was making another quilt for mom at the time that mom passed, which Margaret finished and gave to me. I have the three quilts proudly displayed in my house on an antique poster bed. They are beautiful reminders of a the wonderful artist that made them.

As I got to know Margaret, I came to realize why my mom cherished her friendship with Margaret. In addition to sharing an interest in doll collecting and various other arts and crafts, Margaret was very kind and giving. As mom’s health was declining in her final years, Margaret paid mom regular visits and she spoke with mom on the phone, I think nearly every day. Margaret set a high bar for what it means to be a friend - truly inspirational.

I will miss Margaret, and I wish her family peace and comfort in the days ahead.

“ My dear Sister in Law, I was really just getting to know you, although I knew a great deal about you due to being a part of the family. Our friendship was cut way too short. No one know's really how much I'm going to miss you! We didn't get a chance to go to Culvers again and have long chats with our loving husbands beside us all together. I loved your company when we were together at your home and you showing me your doll's and then the quilts you made and other things that were handy and of course our sewing group with Bits-n-pieces. I was so happy you joined us. I knew you would fit right in. I was so proud when everyone saw your beautiful creations. Your talents were absolutely amazing. I hope to do half as good as you. I know you touched a lot of hearts over the years. You certainly touched mine. I love you as my own sister and I know you are with our Father in Heaven and in peace. Father please be with all of her family. Please give them comfort and peace as time goes on, wrap your arms around them all and show them you love them dearly. In Jesus name and with your will, it will be done. Amen! I Love you Margaret and I will see you again one day and I want you to show me how you did all those amazing things.

“ *It is with great sadness to hear of Mrs. Margarets passing. She and her family have been our neighbors for over 35 years. She was so kind and sweet to me growing up. My fondest memories was her teaching me how to sew and sewing beautiful dresses for all my dolls. She will be so greatly missed. Mrs. Margaret is no longer suffering and at peace. Love and prayers to the family during this difficult - Kristal McNeill Hawkes*
