

Maria Gabriella De Cambra

November 12, 1996 - May 26, 2023

It is with profound sadness and heavy hearts that we share with you that Maria Gabriela DeCambra passed away on May 26, 2023. Even though she was extremely medically fragile, her strength and will to live surpassed her disabilities. Her bright eyes and sweet smile lit up the room and reminded everyone she was here and happy every day. She touched the lives of so many without ever speaking a word. Loved beyond measure and cherished by her entire family, Maria let us all know in her special way that she loved all of us too, including her wonderful nurses who became family throughout Maria's amazing life journey. Her little light will always shine through those of us whose heart she touched. Rest in perfect peace, my beautiful, precious baby girl.

A celebration of Maria's life is being planned for a later date, please leave a comment or memory of Maria. Todd Wahlquist is assisting the family with their arrangements (850-385-2193, www.bevisfh.com).

“ My sweetest little red headed young woman (always my baby). So glad to have seen you grow up and be the light of so many people's lives. I know when you saw me coming to your door you always sighed internally but then let me play with your girl and let me enjoy every second of that sweet girl. She touched so many, more than you will ever be able to comprehend in this lifetime.

Such a sweet sweet family! Maria could not have had a more caring mother, brother, healthcare team and caregivers. Pam, my heart goes out to you! You are all in my thoughts and prayers.
