

## Marie F. "Midge" Bussey

June 25, 1954 - March 13, 2026

Marie "Midge" Bussey, age 71, of Crawfordville, Florida, passed away on March 13, 2026.

Midge was born on June 25, 1954, in Torrington, Wyoming. She moved to the Tallahassee area 40 years ago with her family, but she never left her Wyoming roots behind. She spent her early years as a devoted homemaker while raising her boys. She would later work in retail until she retired in 2016. Midge was the kind of person who would support, help, and do anything for anyone. If you met her, you instantly felt like family. She had a deep thirst for knowledge, was an avid reader, especially drawn to history and her family's genealogy. Midge embraced life fully and welcomed everyone who entered hers. Her contagious laugh, her stories, and her kind-hearted presence touched countless lives.

Midge married her husband, Dave, in 1972. For more than 50 years, they shared a lifetime of adventures and lived life to its fullest through all its trials and triumphs. The love she had for her sons, grandchildren, and great-grandchildren ran deep; she cherished them with all her heart and soul.

Midge is survived by her son Scott (Alison) Bussey; her grandchildren Chayton (Riley) Bussey, Caylie (Dylan) Atkins, and Cayden Bussey; and her great-grandchildren Baker Bussey and Briar Atkins. She is also survived by

her sister Virginia Becker, along with numerous nieces, nephews, great-nieces, and great-nephews.

She was preceded in death by her husband Loren “Dave” Bussey and her son Paul David Bussey; her parents Elmer and Virginia (Davis) McElhaney; her brother J.A. McElhaney; her sister Marleen Shively; and her niece Ashley Carpenter.

Midge will be cremated and laid to rest eternally with her husband and son. A family graveside service will be held at Memory Gardens at a later date.

Susie Mozolic of Bevis Funeral Home is assisting the Bussey family with their arrangements. ([www.bevisfh.com](http://www.bevisfh.com) or 850-385-2193)

“ Our Family has known Midge and Dave since they lived in Billings Mt. We became best friends after meeting them at a CB Club meeting we belonged to. Had lots of good quality time enjoying picnics together bowling motorcycling. {even traveling to Casper Wy from Torrington to ride.} I took care of Scott and Paul while they worked. Then they moved to Sheridan and then Florida. We still remained distant friends and contacts on holidays, We were so sad when they lost Paul. They stopped to see us and visit when they came to visit Dave's sister in Bozeman I believe. We all became involved with raising our families and was hard to hear of Dave's illness, Midge loved him and took such good of care of him and Scott taking them on Drs. visits, After Dave Passed I saw Midge on Facebook one day and we reunited as friends, We texted every day Good Morning and Good Nights .She became my Bestie and I Love and Miss her so much, talked on phone on occasion too. Love from the Carlson Family Bob Jan Patty Pam Justin Now she will be happily Reunited with Dave and Paul. Amen

“ Midge & I were friends in grade school & each had a slumber party on our birthdays when we turned 11 in 1965. She was always so sweet & fun. Her Grandparents lived at the end of my road We renewed our friendship this winter & enjoyed our messenger conversations. I already deeply miss them. I also remember Midge & Dave dating. Today downtown, I caught a close of Ginny & waved Both such pretty women. Enjoy your memories.
