“ My family and I are so sorry to read of the sad, untimely death of Marilyn Marie and send our deepest sympathy. We too have lost loved ones due to the ravages of the terrible disease of cancer and know the pain and suffering it brings. May the warmth of family and friends and your loving memories give you strength during the times ahead. It is truly comforting to know or Lord Jesus made a personal promise regarding our loved ones who have died. He promised a resurrection. A time when we will see them again. That guarantee is found in the Bible at John 11:25. It is our hope these words will bring you comfort and peace.

“ We were so very sorry to read of your loss, it's so hard to lose someone you love but when we have the comfort in knowing that they are now in the arms of Jesus the loss isn't really a loss because we have the comfort in knowing we will be with our loved ones again in Heaven when it comes our time to leave this world for a better home that has been prepared for us by the our Father in Heaven, so grieve your loss of her not being here with you, but also be happy and comforted in the knowledge that your loved one is now without pain & she has a new body in Christ Jesus just as he promised, that's how we get by since our precious son Shawn Whaley, my mother Fannie Belle Richards, and my two brothers Jr. Houston & Leroy Houston went home to be with the Lord, we have on our wall in our home a beautiful poem written just for our son called Shawn & it was written by a precious girl known now as Lauren Hutto, who is a member of this sweet ladies family, Ms. Marilyn Hutto Thompson, I just wanted to thank Lauren for that wonderful gift. To everyone in this family you are in our prayers during this very difficult time as you lay your loved one to rest, but it's not goodbye it's we will see you soon! God Bless you and yours! ❤️ 🙏 🕊️ 🌹
