“ I worked for Mark as his paralegal in Clearwater, Florida. He was a joy to be around being kind, patient and caring with our staff and clients. I would watch him work magic during divorce meditations with his calm demeanor and keeping everyone on task. There was also the Mark who would light up the room with his laugh, smiles, antidotes and jokes. We never lost touch and I so enjoyed when we would catch up to go over his new ideas for stories and he would give me his manuscripts and new books he had authored to read. Mark was a truly wonderful person and will be greatly missed.

I knew Mark very briefly while getting my divorce in 2011. I just recently found out that he had passed away. I'm sorry. I send my condolences to his family. I have a personalized signed copy of his first book. I have to tell you the one thing i remember most was his enthousim for writing. I shared with him my thoughts on writing a children's book. I will always remember his words of advice...don't just talk about it...do it! So i did. Because of his encouragement i wrote and published 8 children's books. Thank you Marc for your words of advice and wisdom. I'm also an artist. I painted for him a under sea cave diver. I often wonder where that painting is now. Again my thoughts and prayers to his family.
