“ Karen,

*Kathy and I send our deepest heartfelt sympathies and love to you and your family at this difficult time. Mark was a great man and I am so fortunate to have met him and to be able to say he was one of my closest friends! I was a new ensign and had just transferred to Station Port Canaveral in 1982 where I first met Mark. He quickly took me under his wing and made me feel a part of the unit. He was such an inspirational leader, mentor and true friend. I will miss our frequent conversations about the Coast Guard, FSU football and live in general over these many years. He will forever remain in our memories!*

“ To the Trammell family,

*May I offer my sympathies to you and your family on the loss of your father and husband. I never met Mark, but know how wonderful and supportive he was to Erin over the years and can only start to imagine what you are feeling now. It is a privilege to call Erin my best friend, and I know our friendship stems from a lifetime of love from her parents. He is a great loss to all the people who know him.
