“ *One absolute true I grew up knowing was how very much Uncle Bill and Aunt Markey always loved each other. They had so many wonderful stories of their lives together. From teasing and playing tricks on each other to a loving glance across a room full of family. Thank you for letting me share in those times.*

Uncle Bill and family, you are in our prayers and thoughts. May God comfort you through these difficult times. You are all much loved.

*In Christ's love,
Holly, Cliff, Paige and Christian*
